Our Open Source Journey

Comcast Open Source Program Office

Opened in 2017

Support
7k+ developers

224 repos on GitHub

7-person team

Communities

Internal: Comcast Open
Source Community

External: Vinyl DNS,
Trickster, Kuberhealthy, etc

Top (Comcast) open source contributors in the last year

Slack community growth

OSPO internal presentations

Incentives, gratitude given to the OSPO team from our developers

Incentives, gratitude we give out to open source contributors

Internal events we host

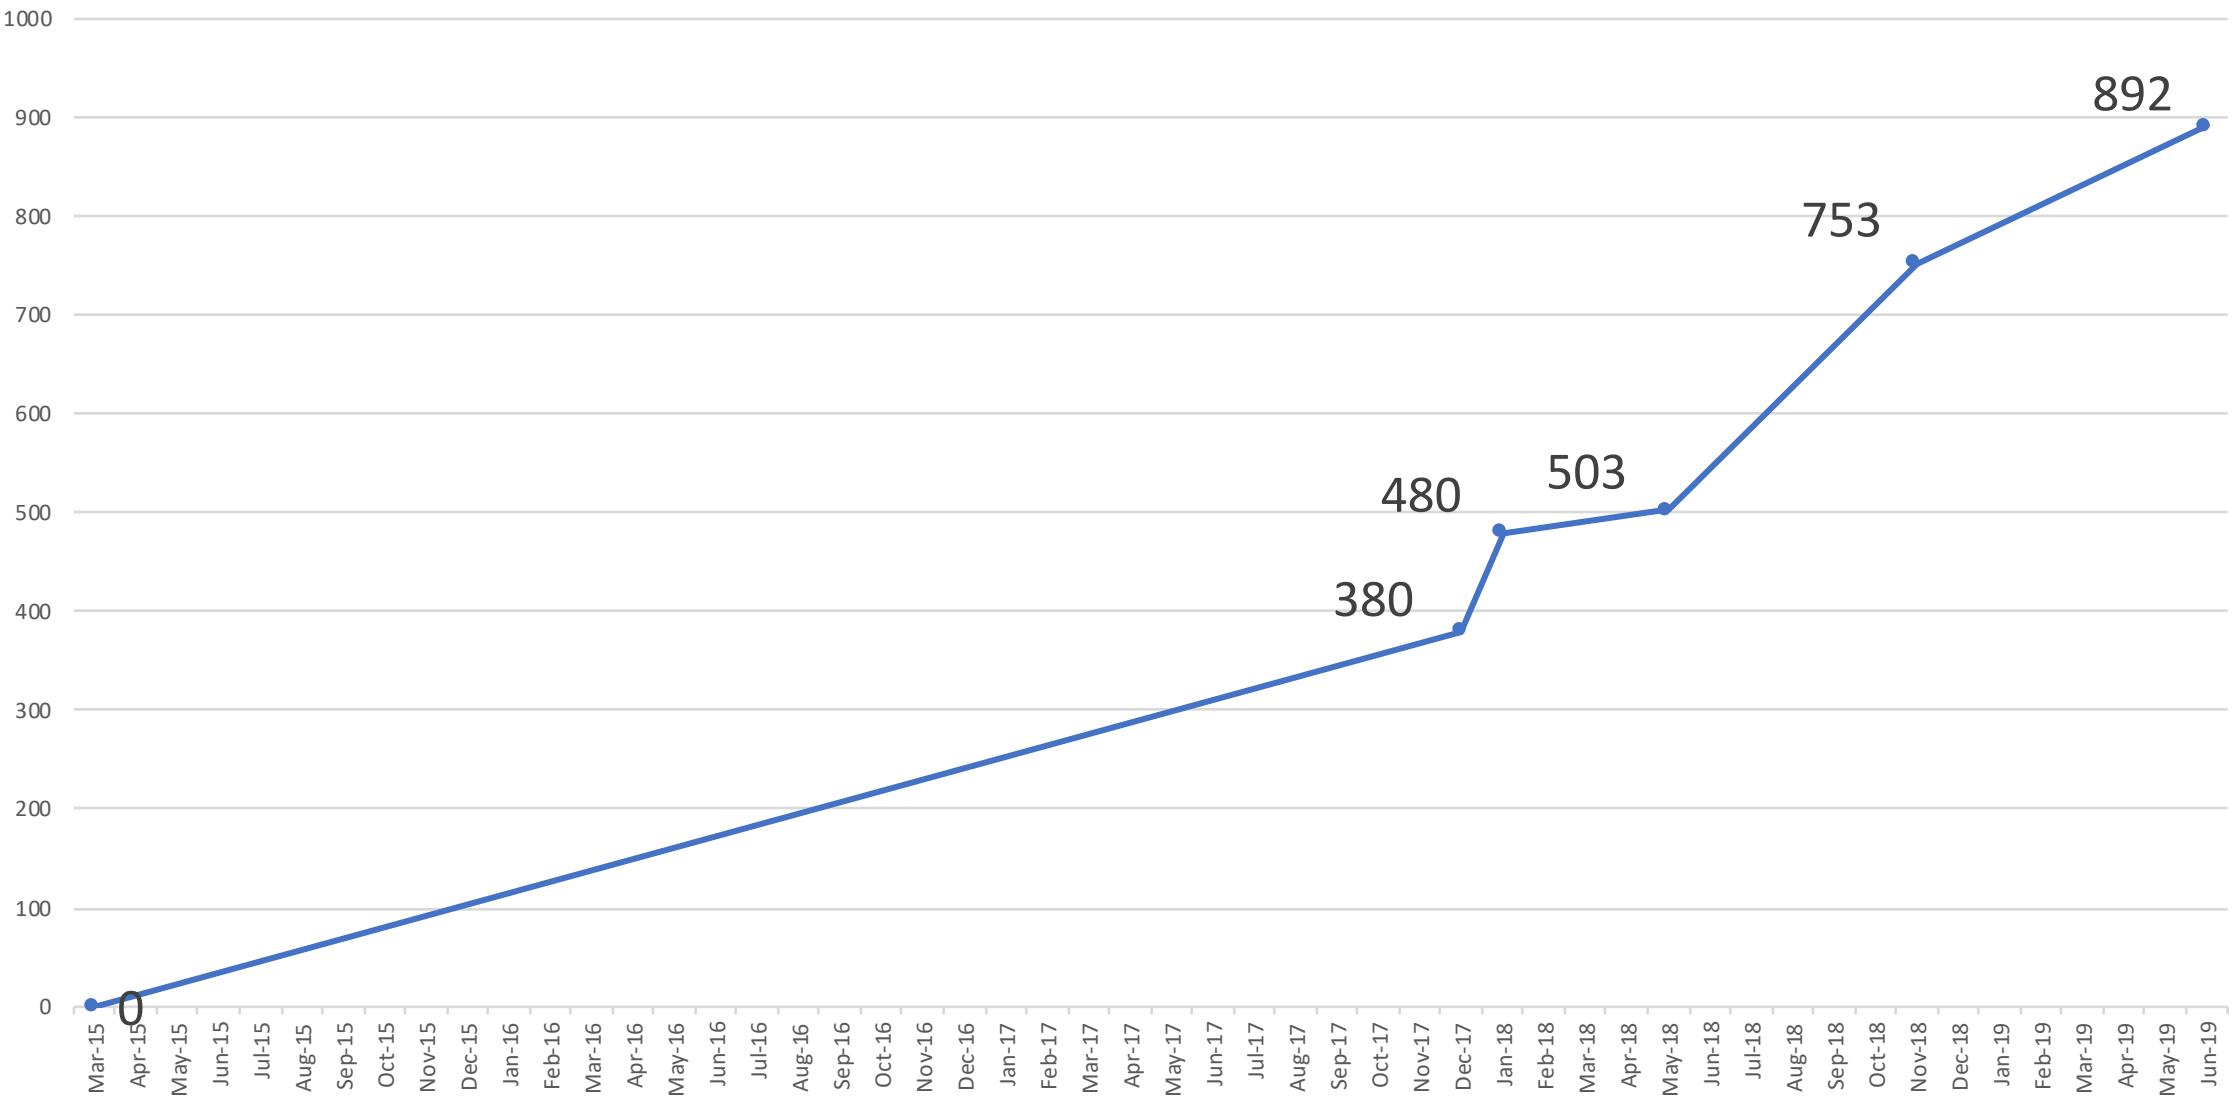

Number of open source contribution requests

Type of open source contribution requests

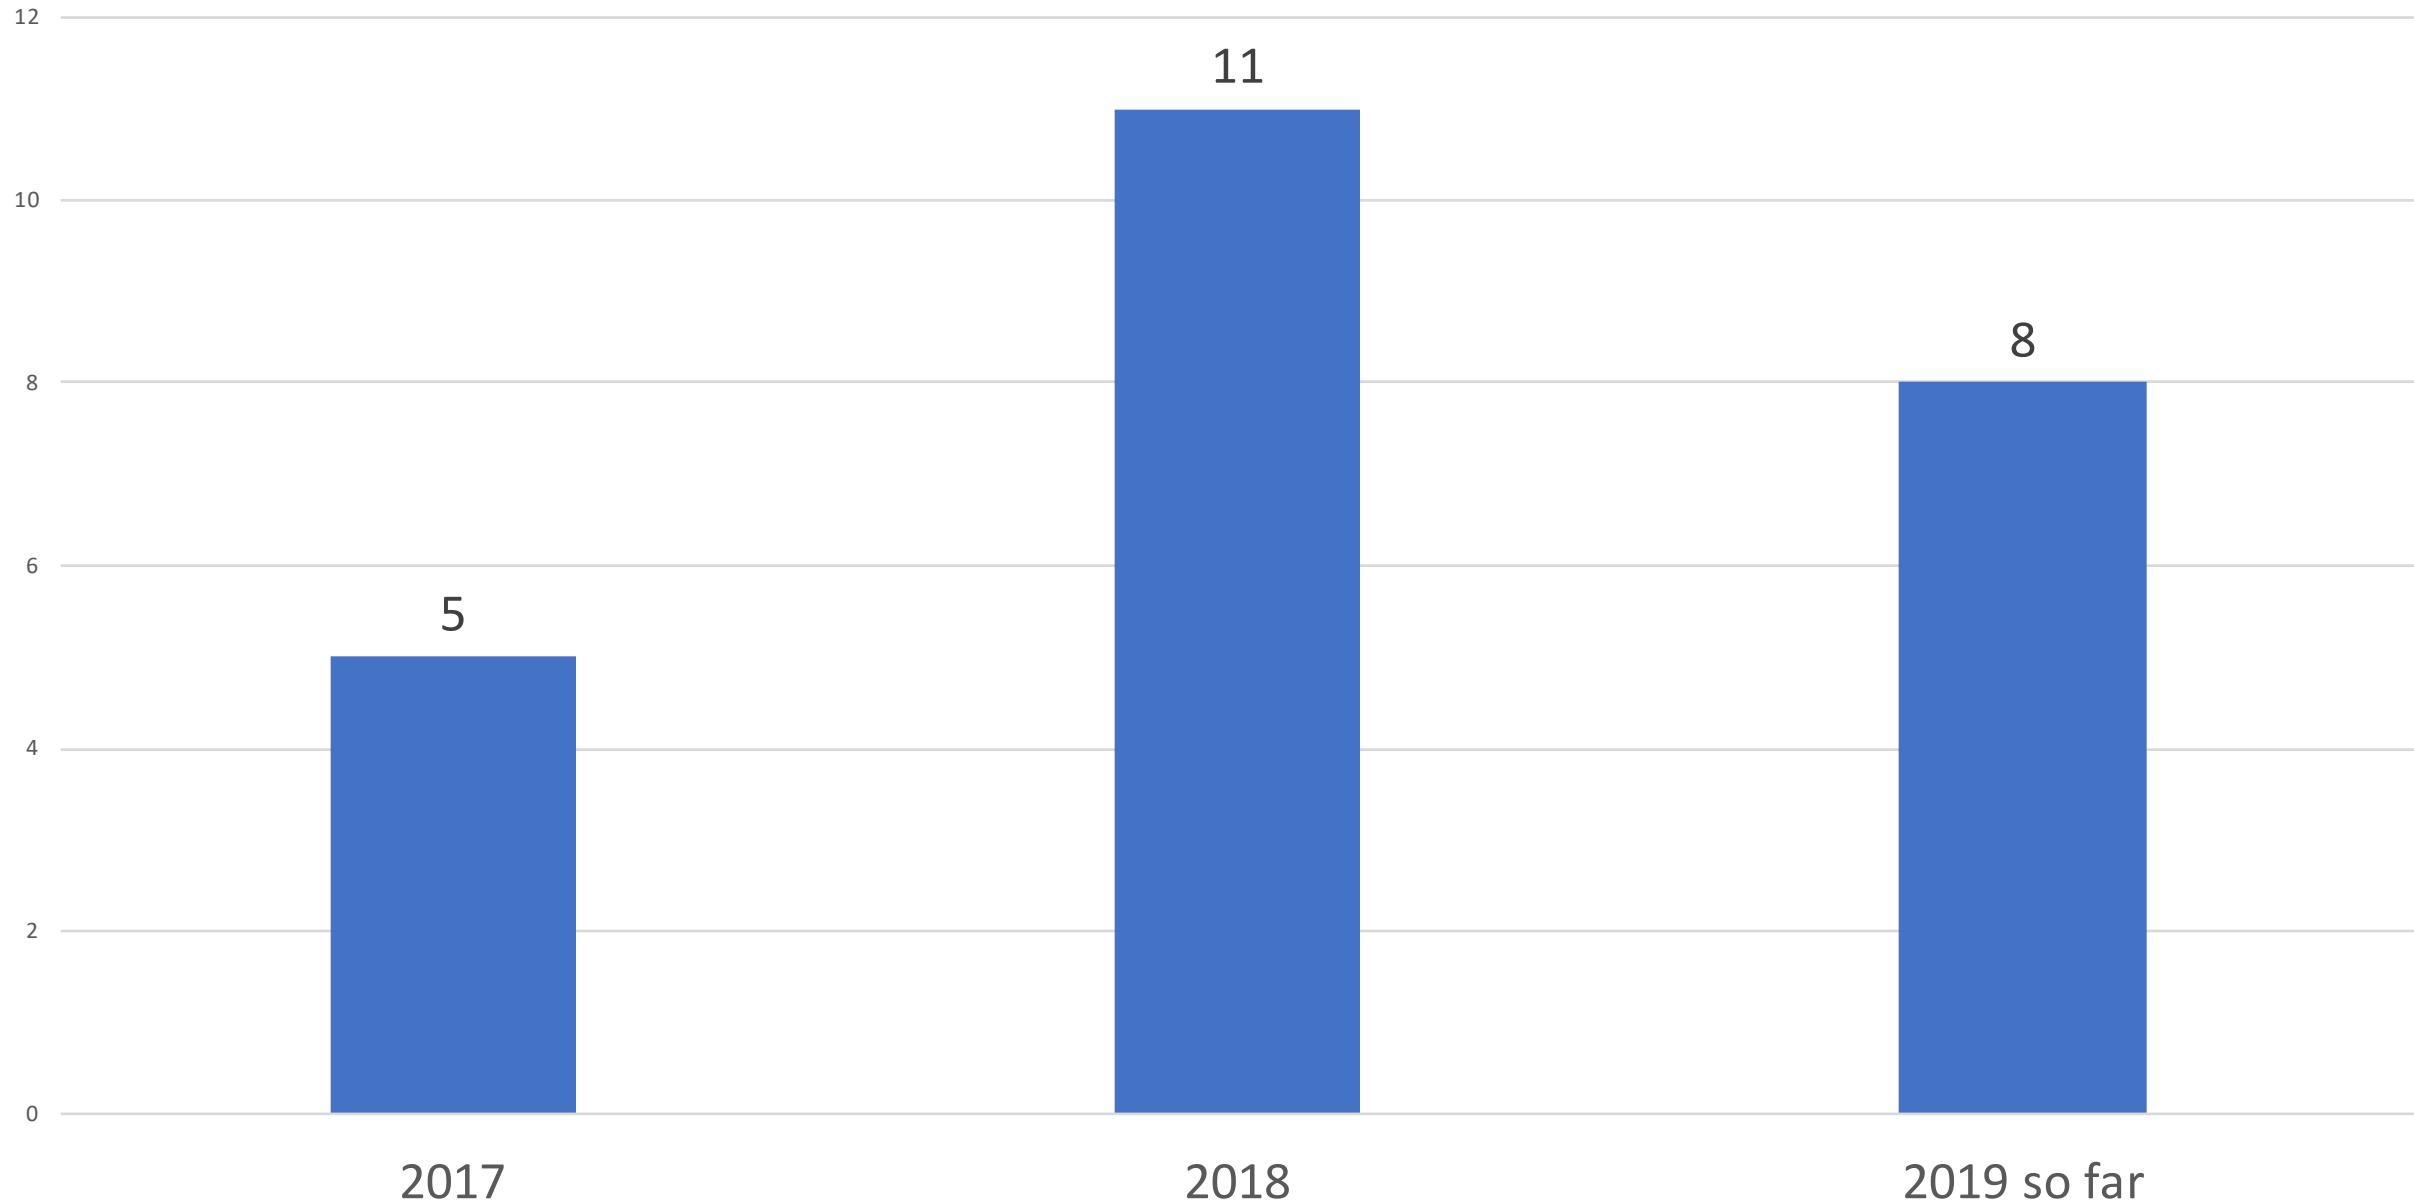

Internal Community Metrics We Track

Examples of internal community metrics we track

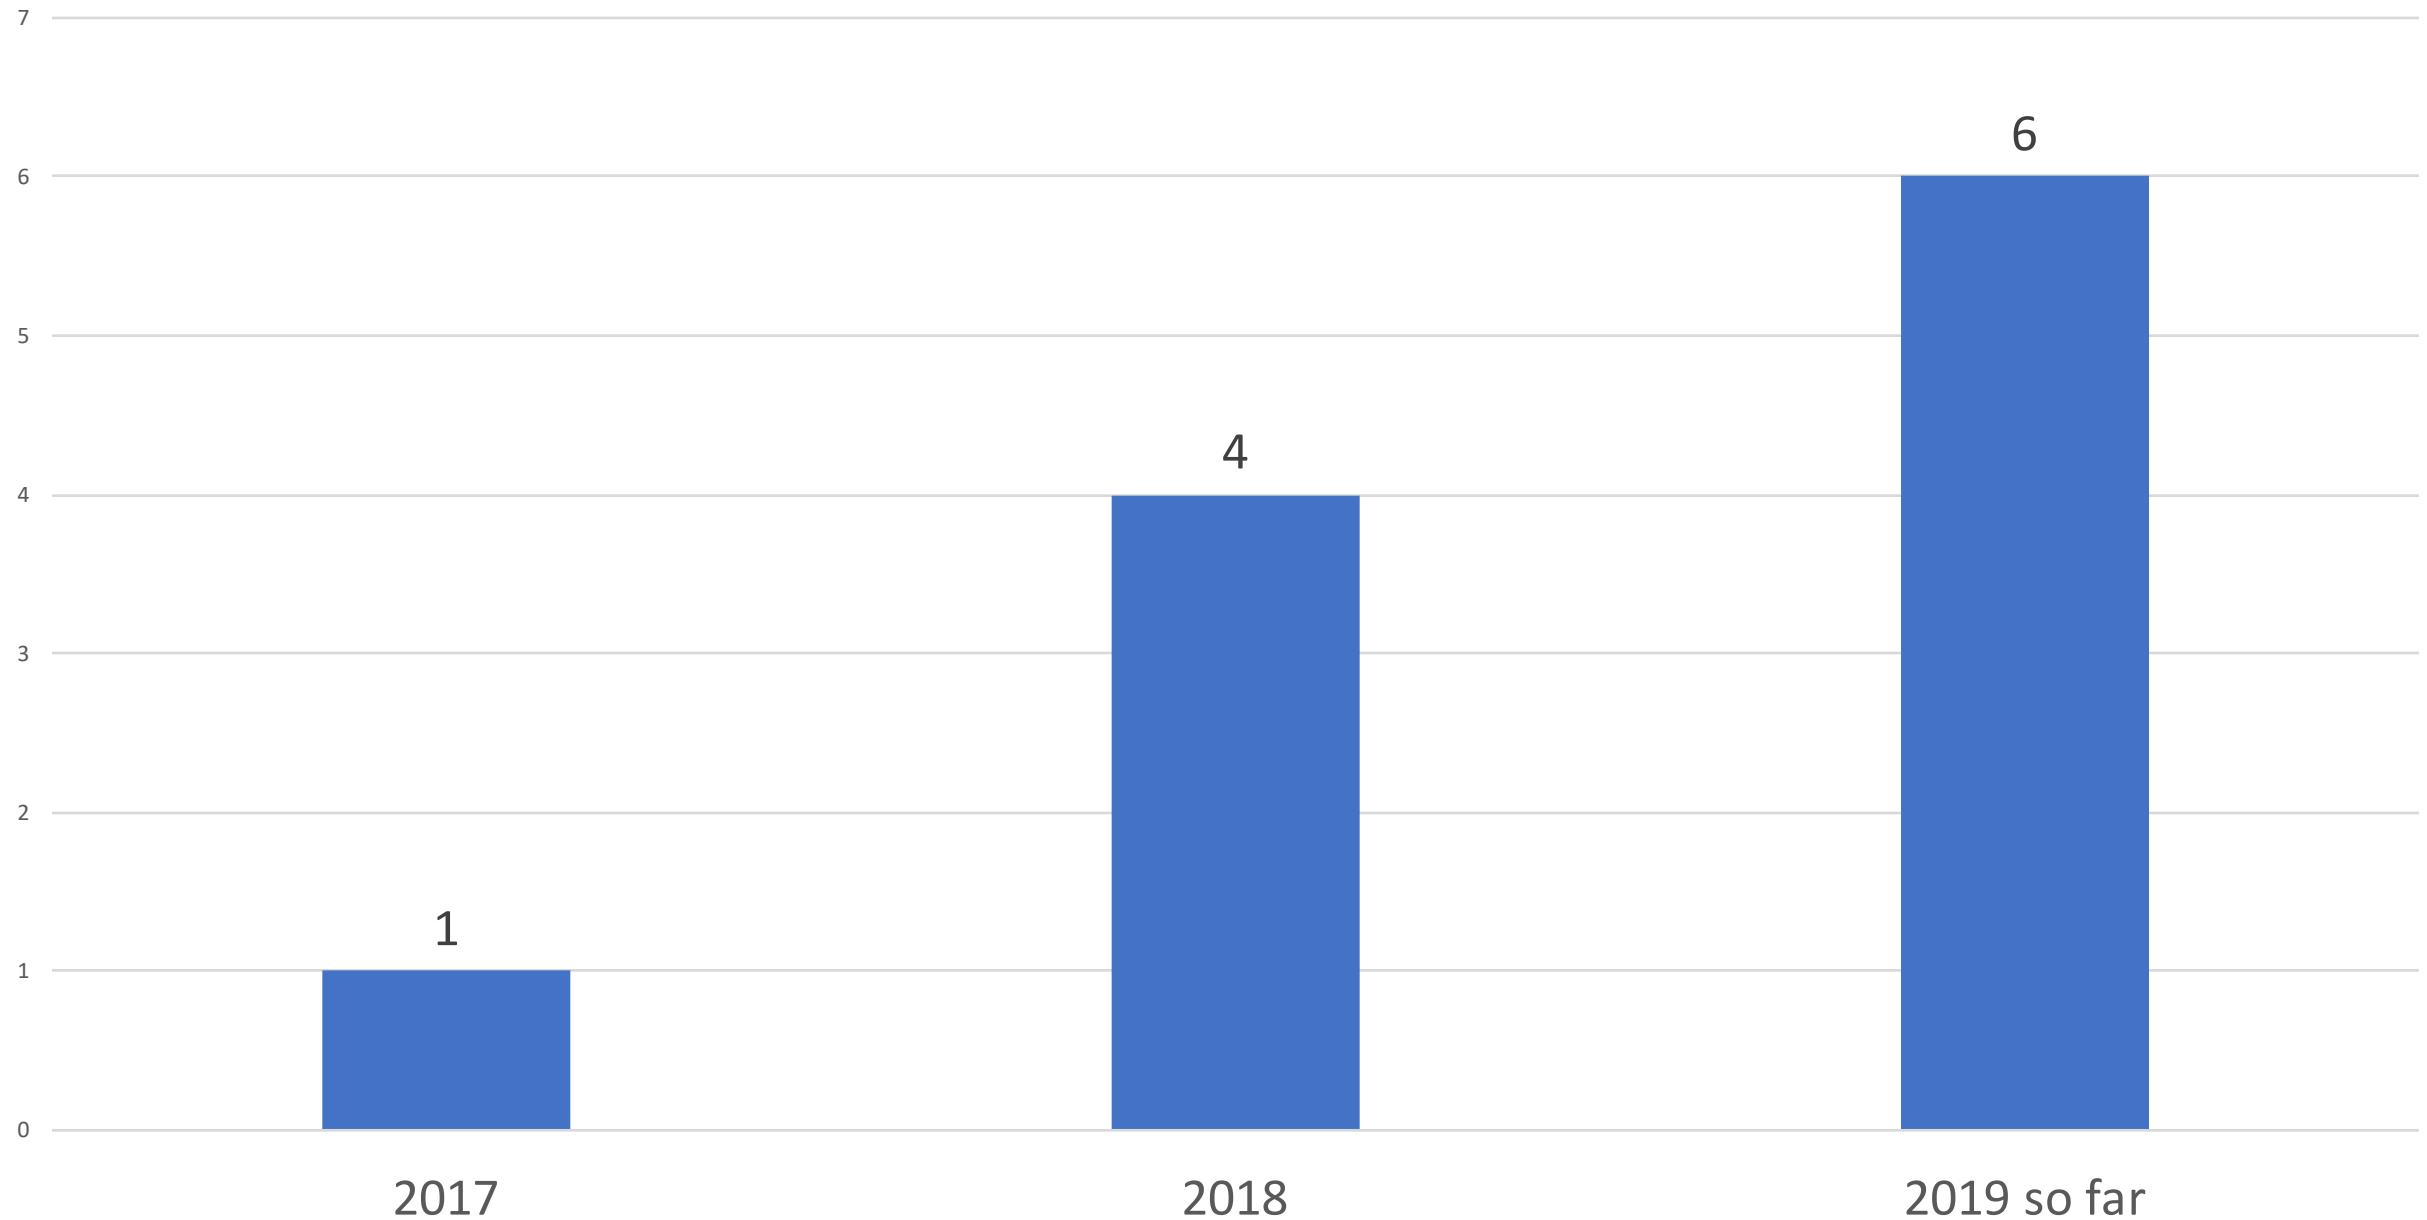

Slack Community Growth - Internal Community at Comcast

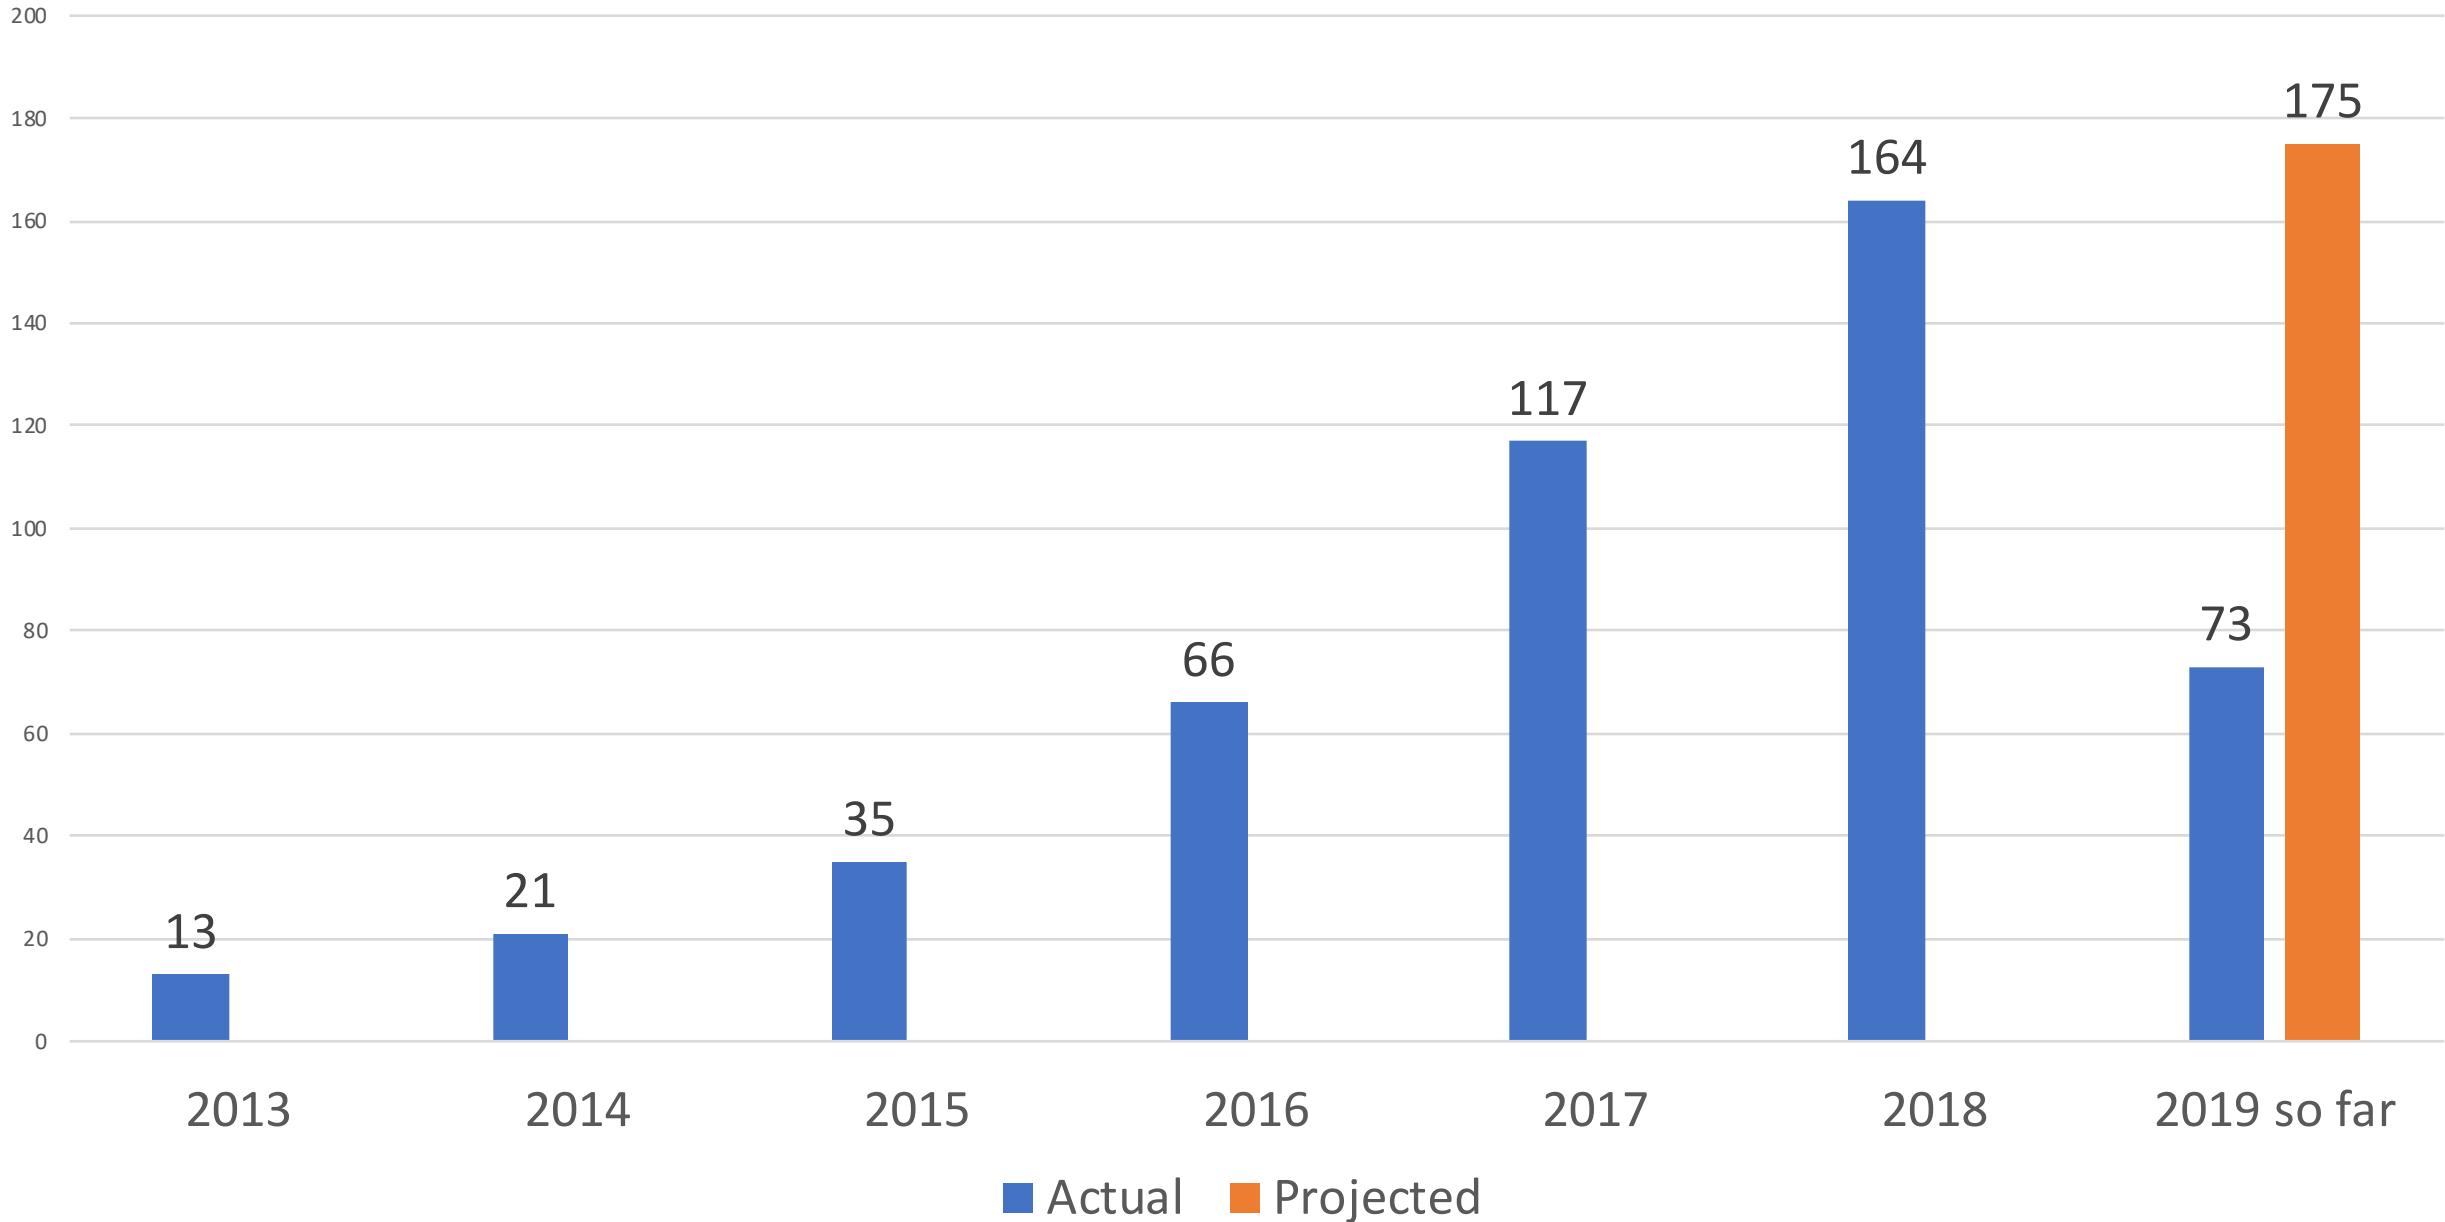

OSPO Internal Presentations

Events we help organize (internal/external)

of Open Source Contribution Requests Filed

Pull requests to open source projects we maintain

Outside contributors to open source projects we maintain

Most starred, most forked, newest open source projects we maintain

Blogging:
labs.comcast.com posts (public) and outside press pickups

Sponsorships with OSS Foundations

OSPO external presentations

Twitter engagements

Traffic to comcast.github.io

External Community Metrics We Track

Examples of external community metrics we track

~70% of contributors are
non-Comcast employees

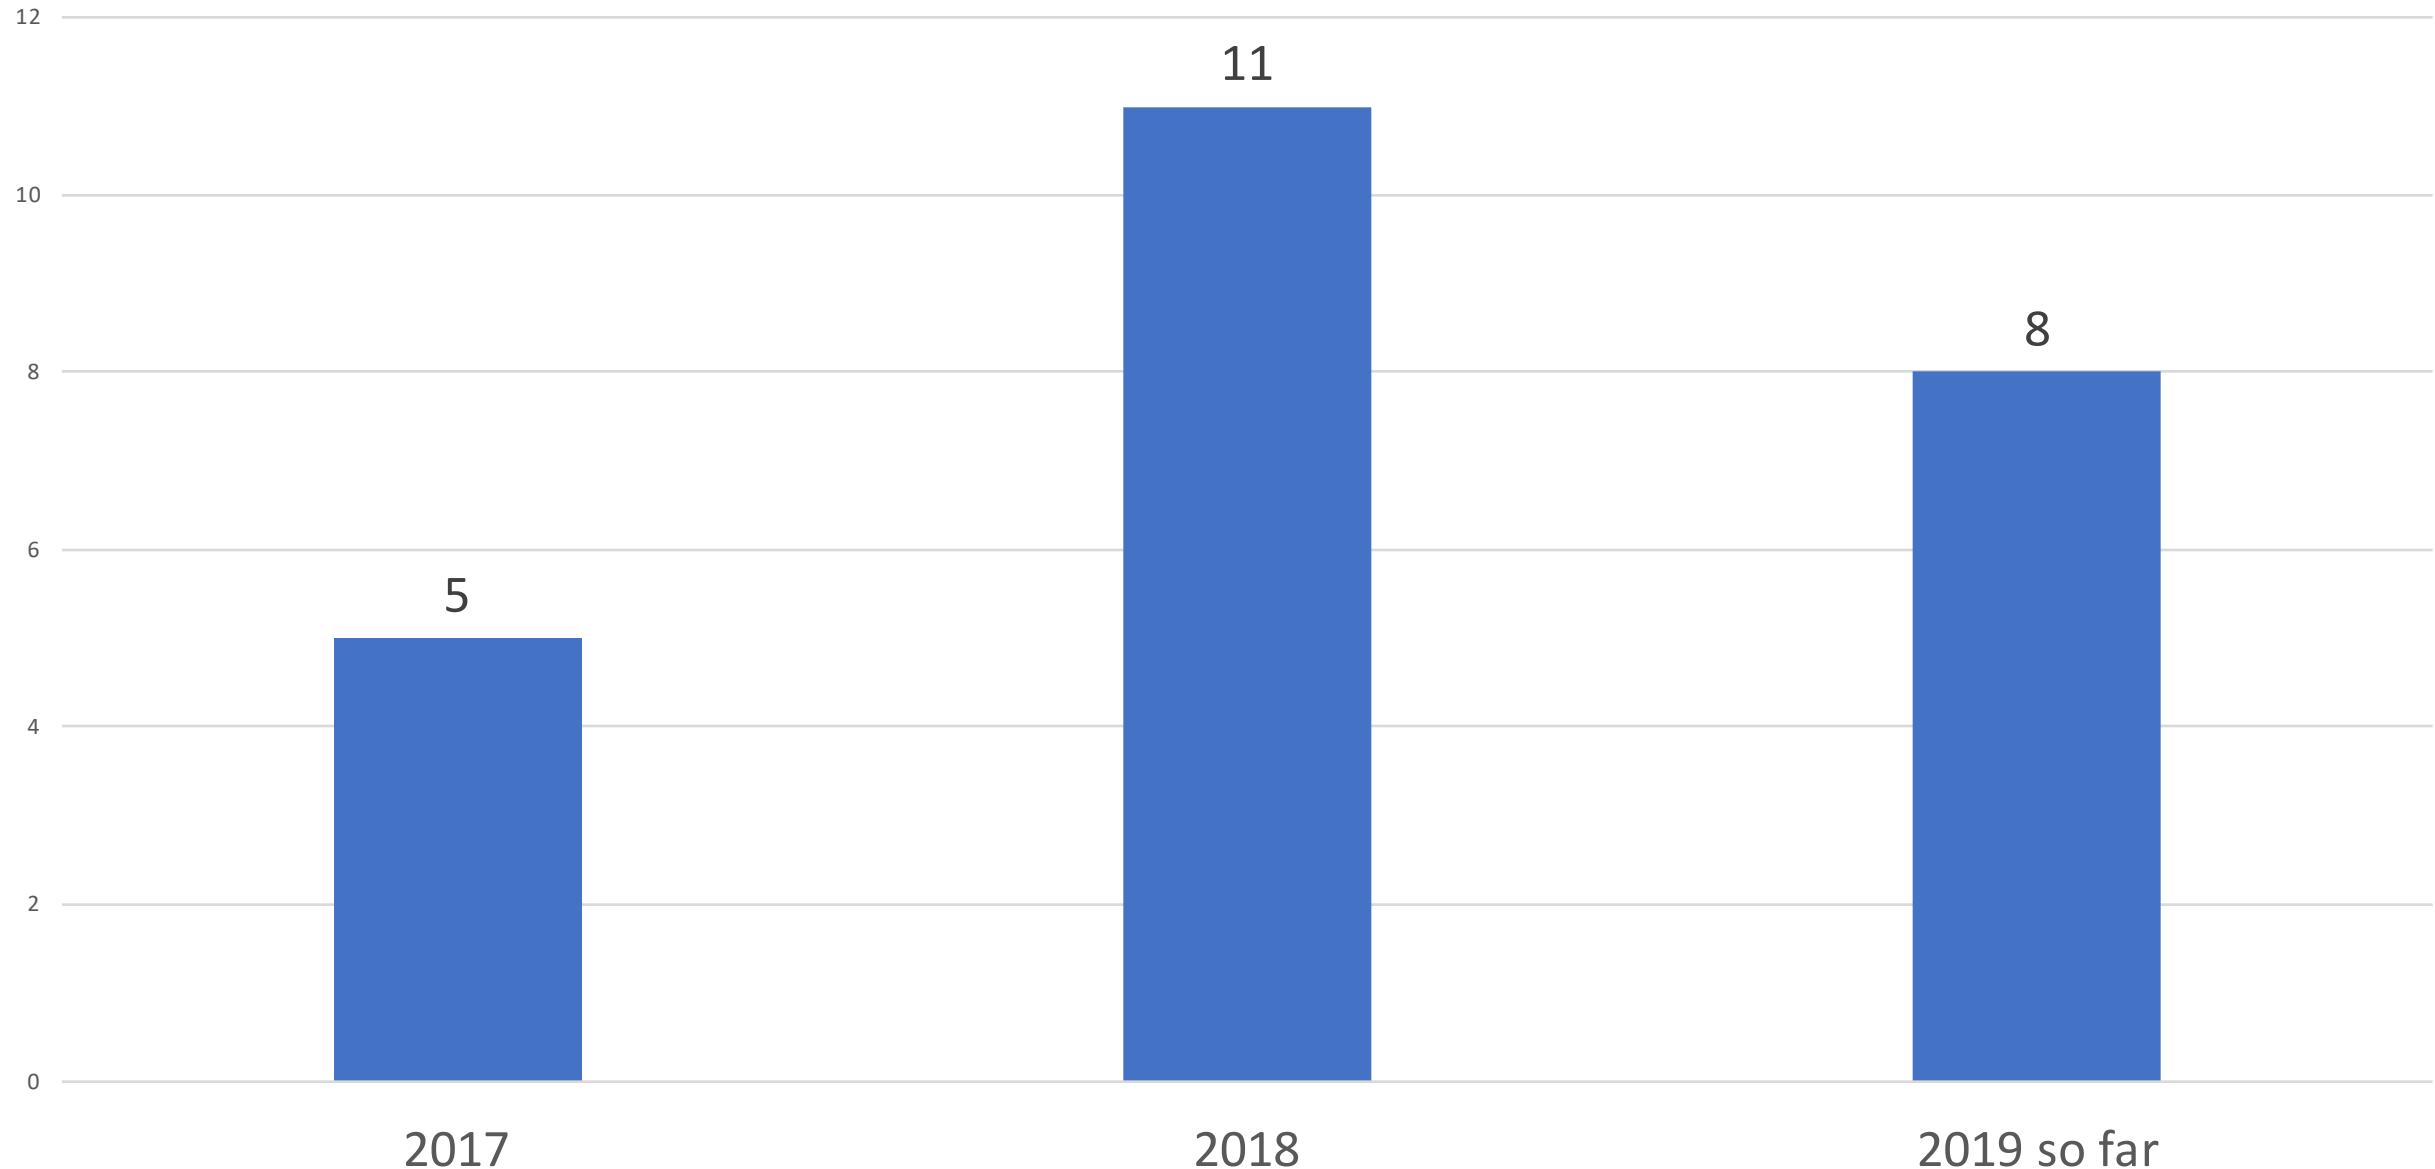

~50% of contributors are
non-Comcast employees

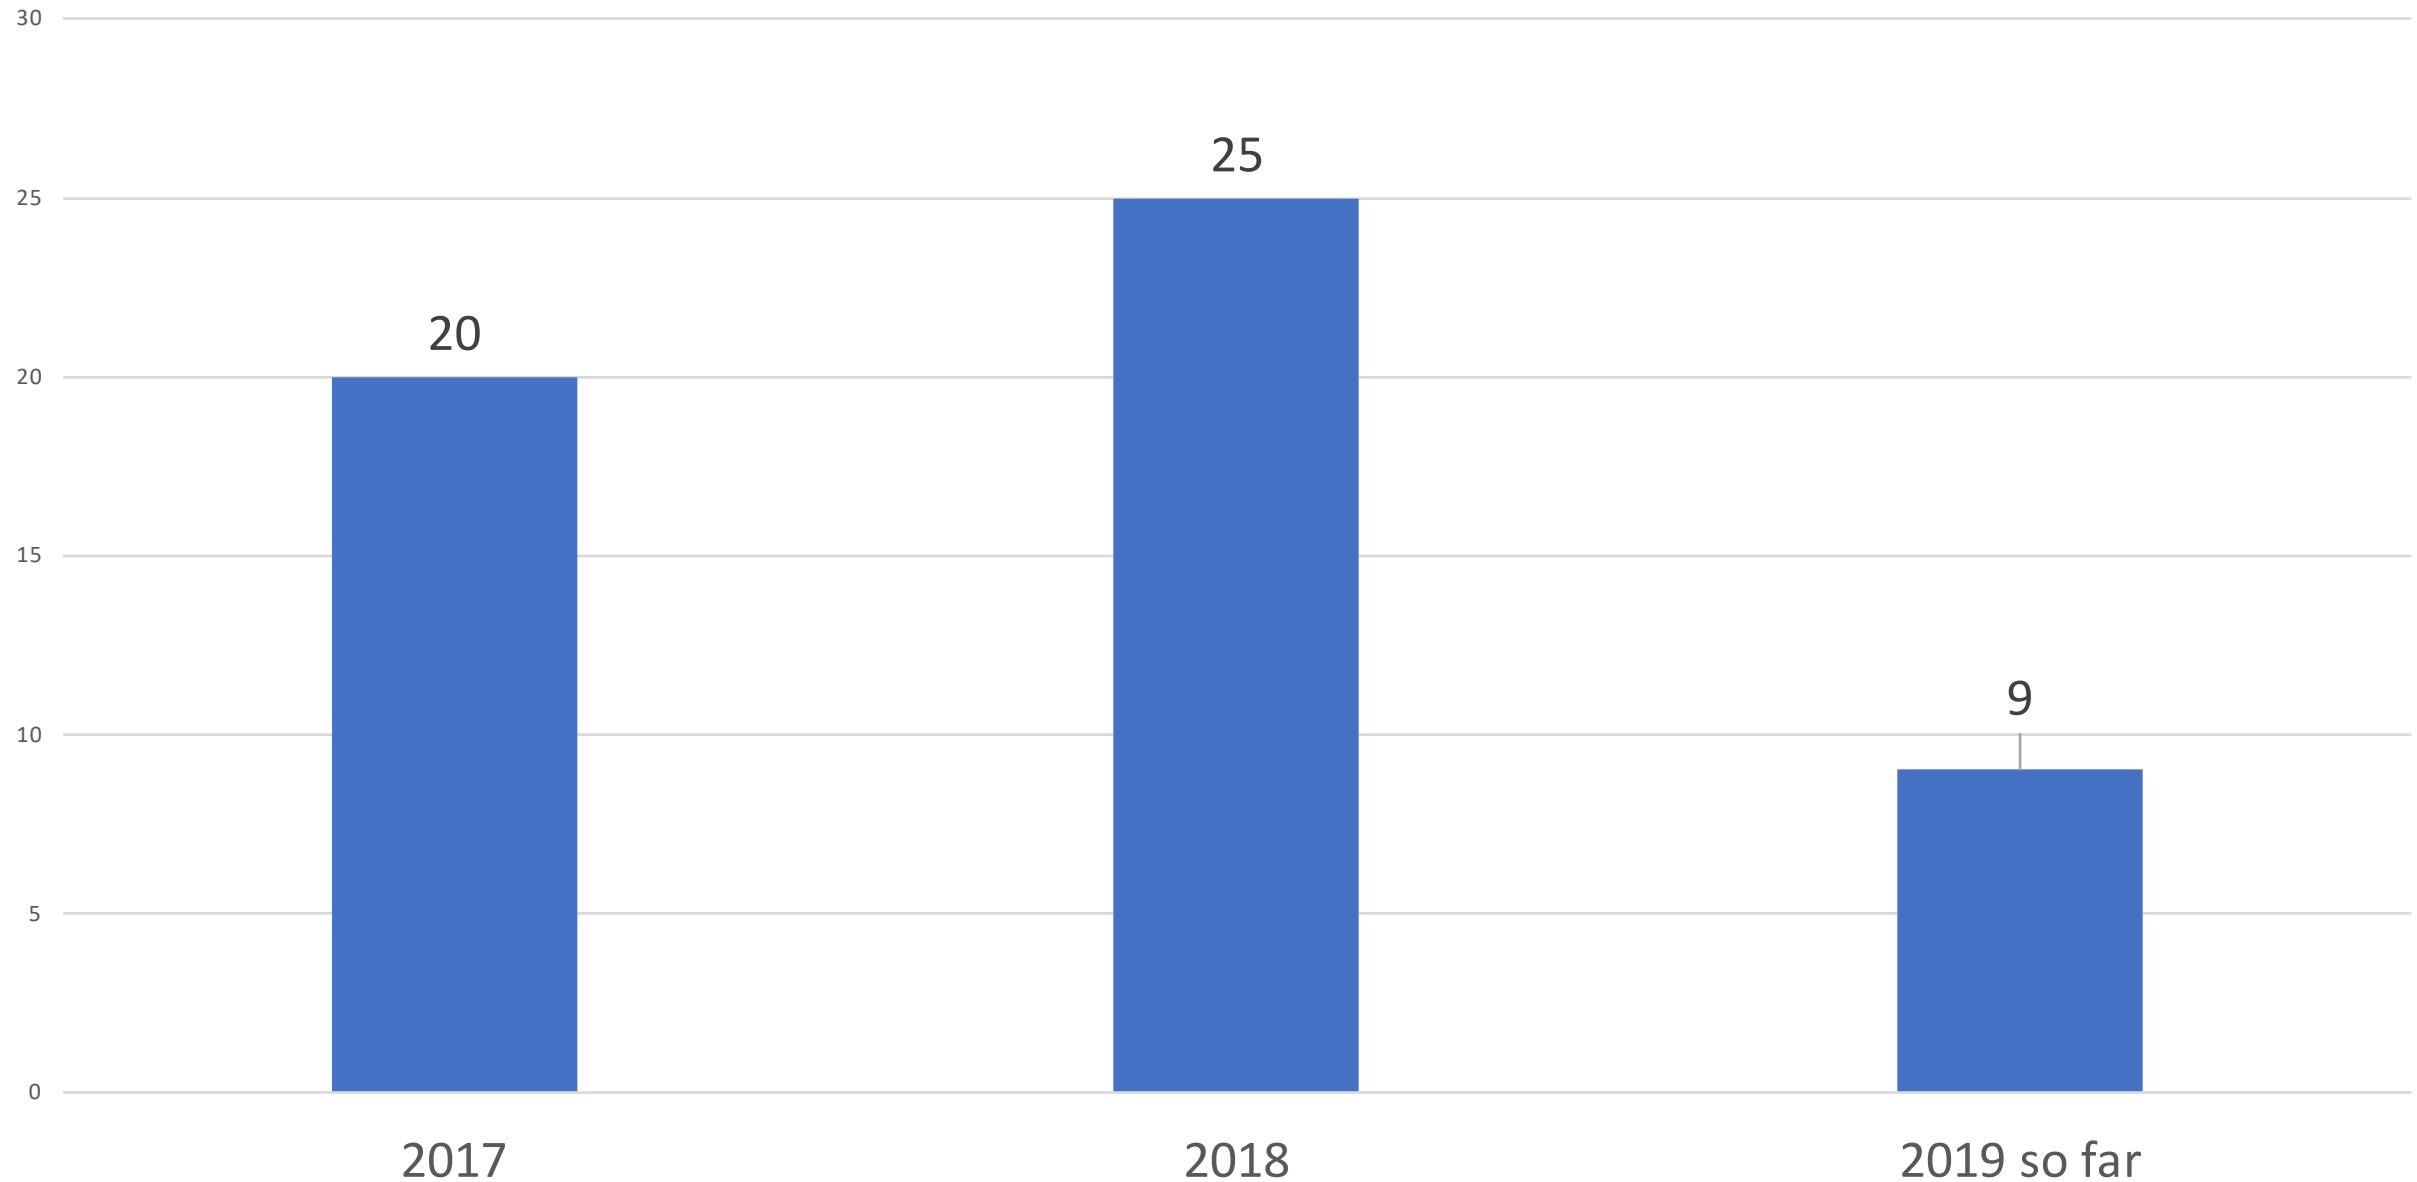

~80% of contributors are
non-Comcast employees

Published Blog Posts on opensource.com & labs.comcast.com

OSPO Public Speaking Engagements

Stats on open source projects we maintain

Most Forked

- [jrugged](#) 222 stargazers • 89 forks
- [patternlab-edition-node-webpack](#) 106 stargazers • 88 forks
- [trickster](#) 786 stargazers • 67 forks
- [kube-yarn](#) 116 stargazers • 58 forks
- [gots](#) 180 stargazers • 56 forks

Overall Stats

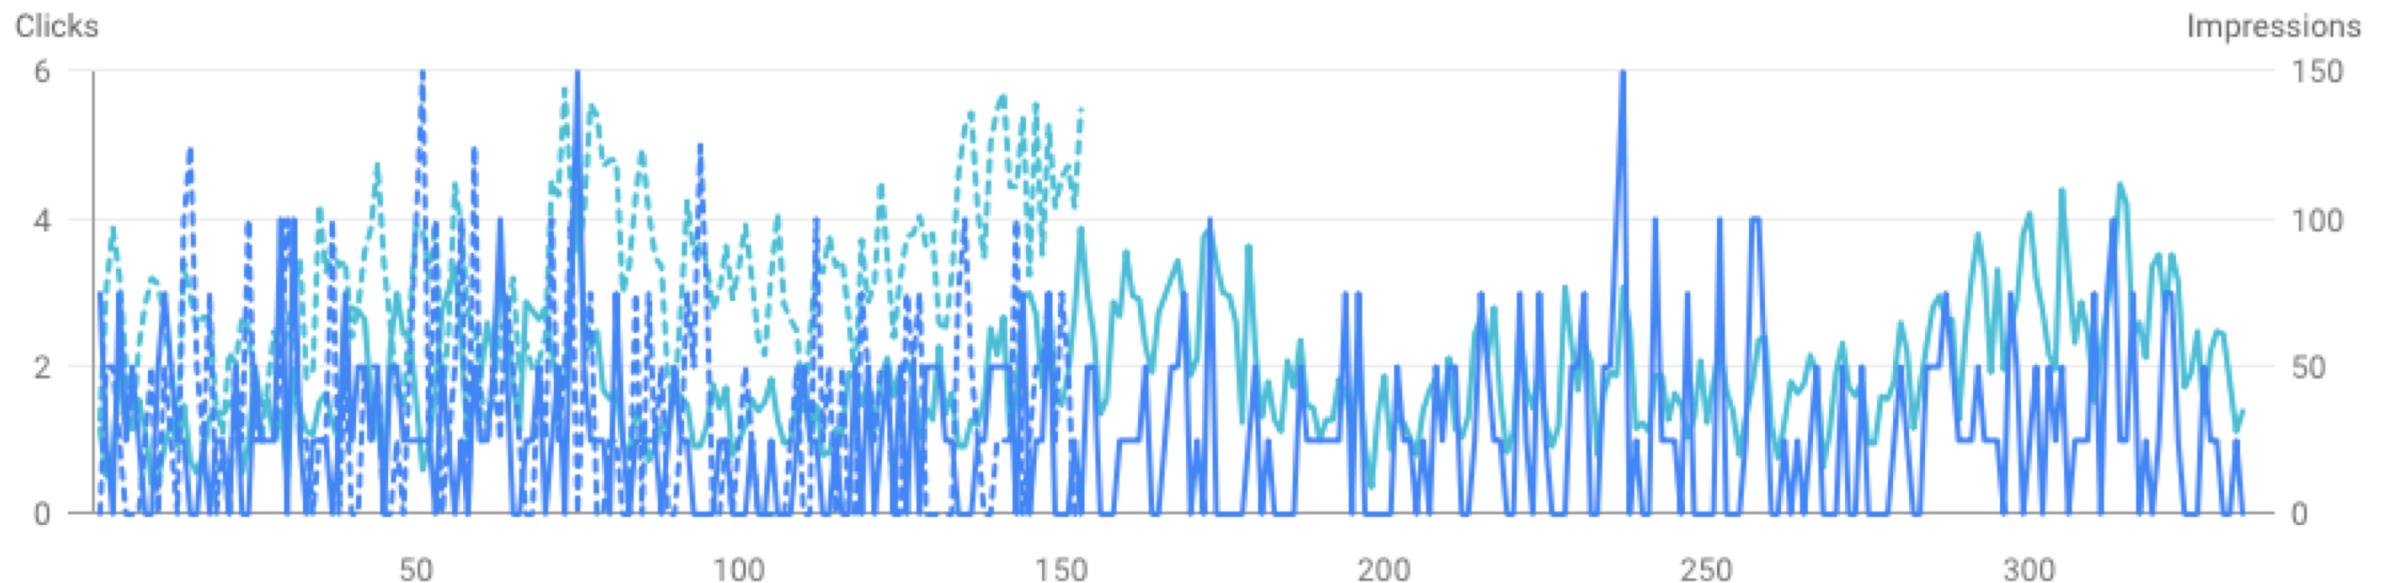

- Total Public Repos: 225
- Total Source Repos: 149
- Total Forked Repos: 16
- Total Members: 60

Most Starred

- [trickster](#) 786 stargazers • 67 forks
- [kuberhealthy](#) 449 stargazers • 31 forks
- [sirius](#) 280 stargazers • 48 forks
- [rulio](#) 238 stargazers • 38 forks
- [jrugged](#) 222 stargazers • 89 forks

Comcast.github.io website traffic insights comparison – 2018 vs. 2019 so far

Total clicks	—	Total impressions	—	Average CTR	Average position
354 2/2/18 - 12/31/18	—	15.7K 2/2/18 - 12/31/18	—	2.3% 2/2/18 - 12/31/18	19.7 2/2/18 - 12/31/18
214 1/1/19 - 6/2/19	---	12.4K 1/1/19 - 6/2/19	---	1.7% 1/1/19 - 6/2/19	28.4 1/1/19 - 6/2/19

What's Next?

Thank you!
